

DVHS THUNDER GOLF

What a Team!

NewsFlash Sept. 8, 2008 - For the first time since 2000 *The Ahwatukee Cup* is back in Ahwatukee Foothills, thanks to the Desert Vista's boys golf team! DV brought the trophy home with a nine-stroke victory in the three-day, 6-man, 27-hole Ryder Cup format tournament.

"It was an important win for us and gives our team some confidence," Desert Vista coach Peter Moody said. "We hadn't fared well in this tournament in the past. I think the best we finished was fourth. We've stepped it up in our practices and it's starting to show. We've been in tournament mode every day. Hopefully we can keep it going." Moody explained.

With the budget cuts at Desert Vista, funding for the boys golf team has been reduced to zero. Thus, in order for the Coaches to continue to be able to have quality practices and the boys to gain tournament experience, the team needs funds to afford training devices as well as tournament fees. Therefore, we are seeking community support through fund raisers, 501(c)(3) donations, and Arizona Tax Credits. Our goal is to raise \$10,000 for this year.
